

The Canadian Paediatric Surveillance Program (CPSP) collects valuable data on uncommon and high-impact paediatric conditions. Study results help support the development of clinical practice guidelines, policy decisions and future research priorities. Web-based reporting has potential to improve program responsiveness and flexibility while reducing costs. This survey will help the CPSP assess the feasibility of web-based reporting.

Your contribution is greatly appreciated.

1. When prompted, would you be willing to report monthly via a secure, online website?
 Yes ___ No ___ Possibly ___ Specify reasons: _____

2. Do you have any comments or suggestions about web-based reporting? _____

3. Are you a physician in active clinical practice? Yes ___ No ___ If no, specify area of work or leave/retirement date(s): _____ **AND THANK YOU FOR COMPLETING THIS SURVEY.**
 If yes, are you a: • paediatrician? Yes ___ No ___ If no, specify: _____
 • paediatric subspecialist (RCPSC)? Yes ___ Specify: _____

4. Do you have a special area of interest, i.e. >35% of your practice, in (check all that apply):

<input type="checkbox"/> Aboriginal health	<input type="checkbox"/> Developmental paediatrics	<input type="checkbox"/> Nephrology
<input type="checkbox"/> Adolescent medicine	<input type="checkbox"/> Emergency medicine	<input type="checkbox"/> Neurology
<input type="checkbox"/> Allergy/Immunology	<input type="checkbox"/> Endocrinology/metabolism	<input type="checkbox"/> Nutrition
<input type="checkbox"/> Cardiology	<input type="checkbox"/> Gastroenterology	<input type="checkbox"/> Pathology
<input type="checkbox"/> Child protection	<input type="checkbox"/> Haematology/oncology	<input type="checkbox"/> Rehabilitation medicine
<input type="checkbox"/> Child psychiatry	<input type="checkbox"/> Infectious diseases	<input type="checkbox"/> Respiratory medicine
<input type="checkbox"/> Critical care medicine	<input type="checkbox"/> Medical genetics	<input type="checkbox"/> Rheumatology
<input type="checkbox"/> Dermatology	<input type="checkbox"/> Neonatology/perinatology	<input type="checkbox"/> Other, specify _____

5. The following CPSP resources are currently mailed to you. How useful would they be if available only online?

	More useful	Less useful*	About the same	No opinion
ADR Tips of the Month				
Quarterly updates				
Educational resources				
Study protocols				

* If 'Less useful', tell us why: _____

Please verify your contact details for monthly CPSP correspondence and make changes or additions as needed.

Confidentiality

The CPSP is committed to the rights of individual privacy and professional confidentiality. Your personal information is confidential and will not be used for any other purpose.

Please return this survey with your monthly reporting form.

Thank you for your participation.
